High quality Dog & Cat food  
**Free Home Delivery**

Great news for all  
cat and dog owners in  
North and North East Somerset

We are pleased to announce that **Husse**, a renowned pet food brand from Sweden is now available in **South Bristol** covering parts of North and North East Somerset, following the successful appointment of **Anna & Jacek** as your local *Husse pet nutritionists*.

Husse Bristol South will be offering the full range of deliciously nutritional Husse products for cats, dogs and horse food supplements and accessories. Husse products are fully loaded with super-premium goodness and are highly digestible meaning your feed rates are lower and your bag lasts longer. In fact, our digestibility rates are better than many other top brands out there! Better digestibility means more goodness stays in your pet. We will also be delivering your food free of charge, with no minimum order requirements, so there will be no more carrying heavy bags back from the shops.

We at Husse are convinced you and your pet will love our products, but just in case you are not sure, we offer you the chance to try before you buy. Just contact Anna or Jacek and give them a few details about your pet and they will help select the correct food for your pet. So don't delay, try Husse today!
